Annual Report on SDG13 Climate Action

13.3 Environmental education measures

13.3.5 University collaboration with NGOs on climate adaptation

The disasters of global warming (24 October 2024)

Thaksin University joined in thinking and discussions in the Policy Forum program to prepare the southern region to cope with the disasters of global warming **at the Chalermphrakiat Auditorium, Thaksin University.**

Thaksin University participated in the forum and welcomed network partners including **the Thai Community Foundation (NGO), the Nakhon Si Thammarat Provincial Disaster Management Network (NGO),** the Friends in Need (PA) Volunteer Foundation in Times of Need (Por Ror.), Thai Red Cross Society, the Community Organizations Development Institute (Public Organization), Thaksin University, the Public Policy Institute, Prince of Songkla University, the Disaster Prevention and Mitigation Center, Region 11 Surat Thani and Region 12 Songkhla, the National Innovation Agency (Public Organization), the Hydro-Informatics Institute (Public Organization), the Soil and Foundation Engineering Research and Development Center, Kasetsart University, the Thai Health Promotion Foundation, the National Health Commission Office, and the Department of Mineral Resources, Ministry of Natural Resources and Environment, Policy Watch, The Active, Thai PBS.

Policy Watch, The Active, Thai PBS, and network organizations (NGO, Government sector, educational institutions, etc.) were opening up a space to exchange opinions and experiences among community representatives from disaster-prone areas in the South. This program provided key information and assess the situation and risks from academics and disaster management experts. The program also surveyed readiness, raise awareness, and expand local cooperation to create a robust disaster prevention and response system for communities.
